

## SUMMERSDALE PERSONAL HEALTH GUIDES

two new titles in the series arriving this spring:

### 50 things you can do today to manage back pain by Dr Keith Souter, FRCGP

In this easy-to-follow, Dr Souter (a very experienced GP) explains the various types and the many possible causes of back pain and offers practical and holistic advice to help sufferers. He looks at lifestyle changes, dietary modification and DIY complementary therapies.

978 1 84953 120 7 PB 158 pages £6.99 2011

### 50 things you can do today to increase your fertility by Sally Lewis

In a jargon-free style, Sally Lewis (a qualified health professional and lecturer) offers practical and holistic advice for couples hoping to conceive, including choosing fertility-boosting foods, discovering the best time for conception and understanding the links between body, mind and fertility.

978 1 84953 119 1 PB 144 pages £6.99 2011

### There are now 10 inexpensive, expert guides helping sufferers to help themselves

The publication of these two new books means that there are now ten Summersdale **PERSONAL HEALTH GUIDES** available. All provide jargon-free, no-nonsense, practical tips, including simple lifestyle and dietary changes (as well as natural remedies). Concise, friendly and readable, these books are ideal for people with busy lives who want easy-to-follow, accessible advice.

As well as helping sufferers to understand conventional and alternative treatments, and encouraging them to take control of their symptoms as far as possible, each guide also offers appropriate advice on • Avoiding triggers • Adapting the home environment if required • DIY natural therapies • Choosing beneficial foods /supplements • Helpful organisations & products.
