

SUMMERSDALE PRESS RELEASE

Traditional Tips for Life This Christmas
PUBLICATION DATE: 5th September 2011

AN EDWARDIAN GUIDE TO LIFE

Cornelia Dobbs

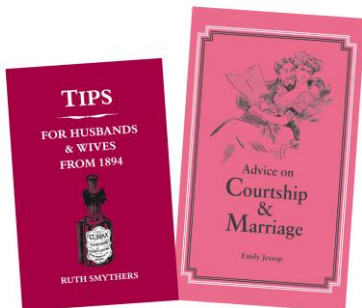

ISBN: 978 1 84953 193 1 Hardback 96 pages £5.99 September 2011

There is no worthier accomplishment for a man with a moustache than to take soup in an inoffensive manner... and by no means should the moustache be used as an implement with which to strain the soup.

Servants should wait at the table in clean white gloves: there are few things more disagreeable than the thumb of a clumsy waiter in your plate.

The Edwardian age (1901–1910), the last period of the English country house, was defined by its etiquette for those both upstairs and down. Discover the correct way to curtsy and how to deal with gossip among many other indispensable gems in this Edwardian guide to life.

Advice from yesteryears from Summersdale:

TIPS FOR HUSBANDS AND WIVES FROM 1894

Ruth Smythers

ISBN: 978 1 84953 195 5 Hardback 70 pages illustrated £2.99 2008

“The wife should lie as still as possible. Bodily motion on her part could be interpreted as sexual excitement by the optimistic husband”.

Words of advice for 19th Century brides-to-be from the wife of The Reverend L.D. Smythers, Sex Tips for Husbands & Wives from 1894 is a side-splitting peep under the Victorian covers. Perfect for jolly japes on hen and stag nights, or even as a quirky wedding gift.

ADVICE ON COURTSHIP AND MARRIAGE

Emily Jessop

ISBN: 978 1 84024 773 2 Hardback 164 pages illustrated £4.99 2009

“When a man marries, it is understood that all former acquaintanceship ends...”

Words of wisdom from a lady of Victorian society, a century later and these pearls make for hilarious reading! Stressing the importance of selecting a spouse with care, while the language may be dated and the times much changed, people, it seems, fundamentally, have not. The perfect present for those contemplating proposals and for whom the wedding bell tolls...
