

## THE LITTLE BOOK OF **ESSENTIAL FOREIGN CHAT UP LINES**

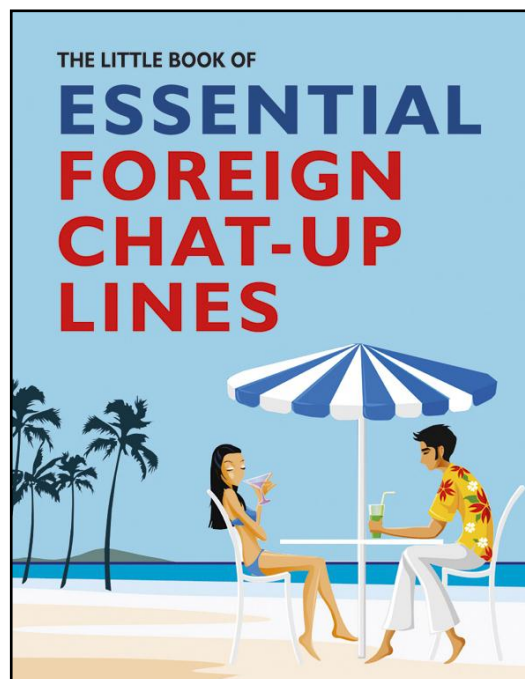

You're away with your mates and your out on the town, when you see the girl of your dreams standing at the bar. But what on earth are you going to say?

**"Cuando Dios te creó, se lució"**

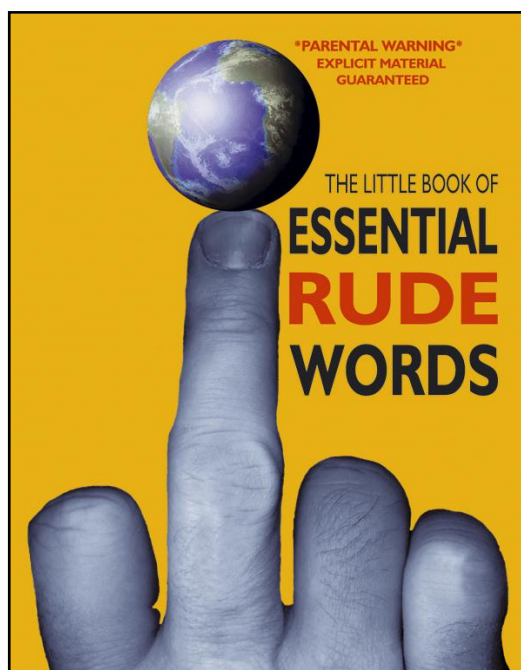

(When God made you, he was showing off)

It's that time of year again when we wave goodbye to the rain and say hello to the warmer climates in search of some fun in the sun. You've donned your lucky shirt and your best pulling perfume but are you really equipped to deal with the locals?

This little book of one liners and ice breakers is your ticket to a world of conquest with fast track lessons in flirtatious French, sultry Spanish or intimate Italian. As important to pack as your sunglasses and suntan cream!

**Essential Foreign Chat-Up Lines £2.99 Paperback June 2007 ISBN:978-1-84024-579-0**

## THE LITTLE BOOK OF **ESSENTIAL RUDE WORDS**

Ever wondered how many rude words existed to describe the unmentionable?

With times a changin' it's no longer considered a faux pas to drop the odd swear word into a pleasant conversation with the grandparents; they'd probably consider it an insult if you didn't.

Tarnish your tongue with this colloquial collection of obscenities and filthy four-letter words. Even the foulest potty-mouth will be inspired by the vulgar vocabulary amongst these profane pages.
