## THE BEST TEST PAPER BLUNDERS

How can you prevent milk turning sour?

*Keep it in the cow.*

Where was the American Declaration of Independence signed?

*At the bottom.*

What happens during a census?

*A man goes from door to door and increases the population.*

You've been studying hard, the day of the BIG test arrives, you turn over the paper, and 'what the \*&%@ does that mean?!' Not a clue.

Some students, rather than admit defeat, choose to adopt a more creative approach to answering those particularly awkward exam questions.

Available through all good booksellers and packed full of hilarious examples, this book will bring a smile to the face of anyone who's ever had to sit a test.
