Goats from a Small Island

Grabbing Mallorcan Life By The Horns

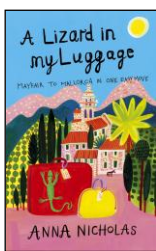

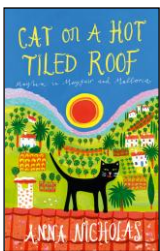

by

Anna Nicholas

ISBN: 978 1 84024 760 2 Paperback 320 pages £7.99 JULY 2009

Life is never simple for PR consultant Anna Nicholas as she attempts to cut loose her ties with London for a more mañana existence in rural Mallorca with her family. Despite nearing her dream to open a cattery, she is thrown off course by the abduction of her beloved toad, a scorpion infestation, getting lost in the hills and a growing fixation with ancient goats. Meanwhile in London she's coping with loopy new clients – an amorous rock climber, a Bulgarian transvestite couturier and a couple of warring designers.

Witty, pithy and brimming with memorable characters, **Goats from a Small Island** is Anna's third book about working between two places and a delightful tribute to Mallorca's rich and varied way of life.
