Two great new gift books for sports fans this summer

You Know You're a
Sailing
Fanatic when...

By Ben Fraser

ISBN: 978 1 84953 072 9 **Hardback** 160 pages £4.99 July 2010

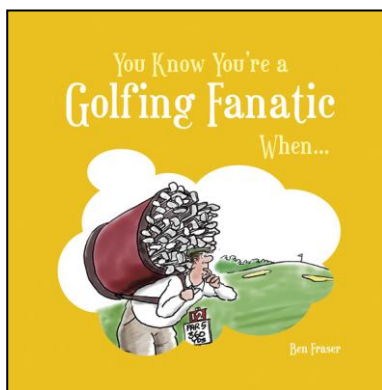

You know you're a sailing fanatic when...

... you christen your children by swinging a miniature bottle of champagne at their rears

... you get a written warning at work for attempting to gain your boss's attention by shouting 'Ahoy!' across the office

... on long car journeys you forego satnav for a sextant and a compass

If this sounds all too familiar, read on to discover whether you're truly obsessed with all things nautical or just one lifejacket short of a crew!

You Know You're a
Golfing
Fanatic when...

By Ben Fraser

ISBN: 978 1 84953 601 3 **Hardback** 160 pages £4.99 July 2010

You know you're a golfing fanatic when...

... there is a suspicious looking dent next to the cat flap from the last time you 'put the cat out'

... you ask your doctor to prescribe something to prevent backspin.

... you have water hazards, not water features, in your back garden

If this sounds all too familiar, read on to find out whether you're one iron short of a set or if you can still escape the fairway unscathed!
