

DO WORMS HAVE WILLIES?

And 100 other very silly questions and answers

by Sarah Herman and Lucy York

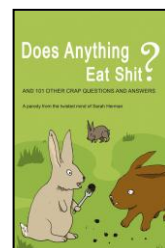

Has anyone ever been flushed down a toilet?

Do aliens eat breakfast?

Whatever happened to Old Zealand?

You'll find jaw-dropping answers to these and many more ridiculous yet pertinent questions in this follow-up to the hugely popular Does Anything Eat Shit?

This book represents the raised hand of every curious child sitting at the back of the class, singeing their tie on a Bunsen burner. It asks the questions no one dares to, boldly going beyond the realms of reason and providing answers that tweed-wearing teachers could never dream up. This unique blend of fact, fiction and farce will have you chortling, chuckling and wondering what on earth they teach in school these days.
