A PRIVATE INVESTIGATOR**

by

**RICHARD MARTINEZ**

ISBN: 978 1 84024 756 5 Paperback 235 pages £7.99 June 2009

**"THE CASES, THE PROCEDURES, THE TRICKS OF THE TRADE, THE THRILLS AND SPILLS AND THE HIGHS AND LOWS. IT IS ALL HERE AND IT IS GRIPPING. IF YOU HAVE EVER THOUGHT ABOUT HIRING A PRIVATE EYE OR BECOMING ONE THEN THIS IS A BOOK FOR YOU" Will Randall**

***"He notices her as soon as she walks in. She basks in the knowledge that she has the power to attract almost anyone around her. And yet she only has eyes for one man. She has to find out whether he wants her before the night is over. An hour later there is hardly any distance between the newly acquainted couple. She works for me, the slender-framed woman in the little black dress. My name is Richard Martinez and I am a private detective."***

Next time you are chatted up in a bar by a good looking stranger, will you be confident that you've not fallen prey to a honeytrapper? Your partner might not be around, but they may have their private eye on you?

A surprising number of people engage the services of a private investigator. Richard Martinez uses his initiative to help his clients, whether using spy phones or making arrangements for the installation of surveillance devices in bedrooms, as well as planting honeytraps and undertaking commercial investigations.

**Ever wondered how to catch a cheat? (Or how to avoid getting caught?).  
Martinez reveals the highlights of a decade of dramatic cases.**

**INCLUDES A PRIZE DRAW TO WIN A SPY KIT – SEE PAGE 235 OF THE BOOK**

**Author, Richard Martinez**, is a former RAF officer. He started his rapidly growing Expedite Private Detective Agency just outside London in 1999. Still only 38 years old, he speaks regularly on radio programmes in the UK and abroad about honeytrapping and the private detective world. Richard Martinez is available for interview.

**Notes to Editors: Honeytraps & Sexpionage** is published by Summersdale and available through all good bookshops and internet booksellers or by telephoning Summersdale.
