

Summersdale New Books Press Release

Four great new milestone gift books

How to Survive... **MARRIAGE**

For richer for poorer, for better for worse, for ever for Pete's sake! This could run longer than *The Mousetrap*, so you need survival skills:

Diplomacy: your partner is always right, even when they're wrong. They must be – they picked you!

Clive Whichelow and Mike Haskins ISBN: 978 1 84953 136 8 Hardback 96 pages £4.99 April 2011

How to Survive... **PARENTHOOD**

You've got back from the hospital clutching your precious bundle – then you realise you've got your Louis Vuitton bag but left the baby behind! Now the hard work begins, so you need survival skills:

How to Survive... **RETIREMENT**

Freedom at last! But what are you going to do? There's an awfully long time between cornflakes and cocoa, and a limit to how many sudokus you can do, so you'll need survival skills:

Financial wizardry: how to get three cups of tea out of one bag.

Clive Whichelow and Mike Haskins ISBN: 978 1 84953 138 2 Hardback 96 pages £4.99 April 2011

How to Survive... **UNIVERSITY**

At last, no more parents! But who's going to do your washing, and bail you out when you're short of cash? Hmm, you're going to need survival skills:

Think positively: don't think of it as a student loan, think of it as the government's round (every night for three years).

Clive Whichelow and Mike Haskins ISBN: 978 1 84953 139 9 Hardback 96 pages £4.99 April 2011
