# Jellyfish McSaveloy

**NUTTY NAMES, SILLY SIGNS AND  
TONGUE-TWISTING TITLES**

Collected by  
**Hugh Jass**

ISBN: 978 1 84024 787 9 Paperback 128 pages £5.99 October 2009

**PARENTAL ADVISORY: EXPLICIT CONTENT**

- Imagine being baptised **Justin Case**, **Carrie Oakey**, **Stan Still**, **Sonny Day**, **Number 16 Bus Shelter** or **Jellyfish McSaveloy**.
- How would you feel giving your address as **Iron Knob**, (South Australia), or **Butthole Lane** (Leicestershire) or **Poopoo Place** (Hawaii) or **Psycho Path** (Michigan, USA) ...?
- Would you blush if you had to ask the shop assistant for **Animal Colon** (air freshener); **Coolpis** (drink) or the latest CD from the rock band **Lubricated Goat** ...?

Here's an exuberant celebration of silliness the world over: discover names of people, places, companies and brands to give you the giggles, along with song, book and movie titles that are sure to induce a belly-laugh or two.

Unique, intriguing and deliciously daft (and including some content that carries a parental advisory caution), *Jellyfish McSaveloy* is essential pub and party reading (unlike *The Chocolate Bunnies of the Apocalypse* by one Robert Rankin).

Serotonin in book form, join Hugh Jass for a trawl through some of the most mad monikers of all time. And, in case you get peckish while you read, have a carton of Germany's finest ice cream handy – **Bum Bum Banane** (banana flavour, of course!) and why not wash it down with a nice glass of **Fart** (a Polish health drink)?

### Media opportunities:
