'At your age, people expect you to be calm, dignified and sober... Disappoint them.'

'Save water – drink wine.'

'On the whole, the years have been kind to us... it was just the weekends that got us into trouble'

With a version for women and a version for men the new **Older, Wiser... Sexier** books cover topics such as baldness, drinking and keeping your looks. Perfect gifts for the young at heart!

Over the years Bev Williams' hilarious greeting cards have brought many wry smiles to the faces of millions. These cheeky but charming books bring together the best of the cartoons with witty quotations.

Why grow old gracefully when you can grow old disgracefully?

Media opportunities:

- Competition prizes available
- Review copies available

Both **Older, Wiser... Sexier** books are published by Summersdale and available through all good bookshops and internet booksellers or by telephoning Summersdale.
