Wicked inspiration for staving off office boredom

OUTRAGEOUS OFFICE DARES

Suzie Duncan

ISBN: 978 1 84024 775 6 Paperback 320 pages £5.99 Autumn 2009

The majority of us spend forty hours a week slaving away at a miserable job we do not like, to reach meaningless targets we do not care about, for a soul-sapping boss we have little respect for. But, hurrah – all is not lost.

Do you feel the urge to spice things up a little? Are you a non-conformist with a devilish sense of humour? Why not...

- *Arrive at work in your dressing gown, holding a bowl of cornflakes*
- *Spread a rumour about yourself, and then complain to HR*
- *Create a mini aquarium in the water cooler*
- *Attach a sign that says 'FAX' to the paper shredder*

With 369 outrageous dares packed into this new book now is the time to embrace your inner delinquent and challenge your nerve to the limit; the question is: Do you dare to play?

WARNING: Playing Office Dares will not reward you with the promotion you have always dreamed of, but rest assured, you will leave the office safe in the knowledge that you have brightened up the day of every employee. Or just confused the hell out of them.
