

Summersdale New Book Press Release
As wedding season looms so does as a lot of peoples anniversaries -
Celebrate with this great little gift book
PUBLICATION DATE: 4th MAY 2010

So It's Your Anniversary!

by Mike Haskins & Clive Whichelow

ISBN: 978 1 84953 050 7 Hardback 96 pages £4.99 May 2010

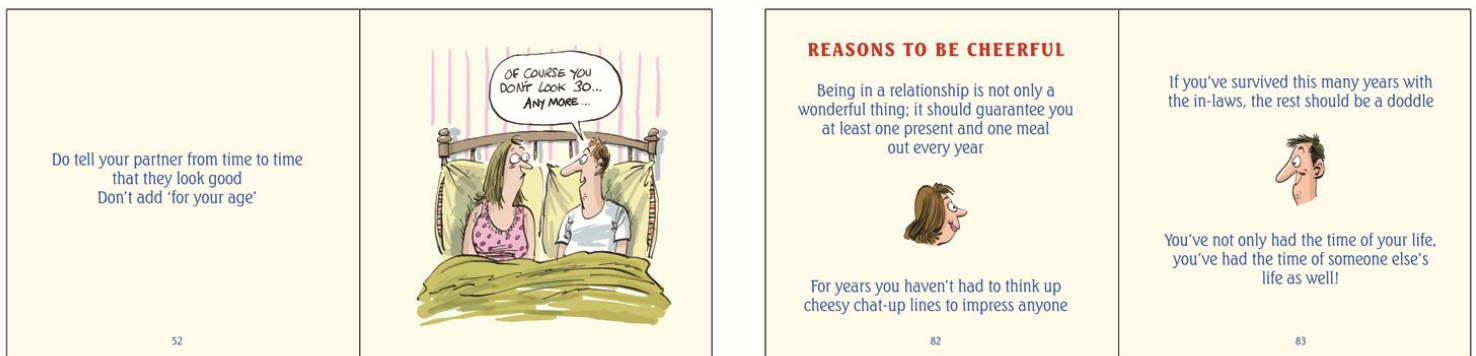

AN ANNIVERSARY IS...

... a time to celebrate your love as well as a time to love celebrating.

... an excuse to get away together rather than an excuse to get away from each other.

For some of your readers it may seem like only yesterday that their eyes first met but another year has passed and now they have matching jumpers, his 'n' hers TV chairs and the weekly argument over taking out the rubbish.

On the bright side, an anniversary means its time to celebrate another year in love and they can look forward to sharing nose-hair removers and a mobility scooter made for two!

Media opportunities:

- Competition prizes available
- Review copies available
