**For anyone not fluent in LOLcat please see the translation below:**

Get ready for a third helping of LOLcat in this new book from Summersdale Publishers. Professor Happycat is back and this time it's all about the kittens! This new book is full to the brim with 200 all-new adorable LOLcats. They're sweet, they're fluffy, they're big on cattitude and way too small to manage a whole cheezburger.

**For those that don't know** a LOLcat is a picture of a cat with a funny misspelt caption. [icanhascheezburger.com](http://icanhascheezburger.com) was founded in January 2007 and has been at the centre of the worldwide LOLcat craze ever since. The same guys run failblog.org and graphjam.com
