

SUMMERSDALE NEW BOOK PRESS RELEASE

Discover and connect with the mythical ancestors of the equine race

PUBLICATION DATE: 4 OCTOBER 2010

UNICORNS

An Introduction

Jane Struthers

ISBN: 978 1 84953 080 4 Paperback 96 pages £5.99 October 2010

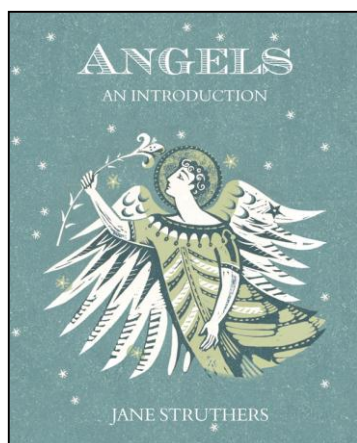

When is a unicorn not a unicorn? Possibly when it's a rhinoceros, a narwhal, a chiru or some other horned animal. There are several ancient descriptions of the unicorn, all of which focus on its single horn. But were those animals really unicorns?

Once regarded as mythical beasts, unicorns are now recognised as divine messengers whose purity and healing powers can help us on both practical and spiritual levels.

This beautifully illustrated book is the perfect introduction to these mystical creatures, detailing everything from their roots in many ancient religious texts to how to work with them in order to understand our life's purpose.

About the author: Jane Struthers lives in East Sussex and is the author of the bestselling *The Psychic's Bible* and *Red Sky at Night*. She is also the weekly astrologer for *Bella* magazine.

Also in this series:

ANGELS

An Introduction

Jane Struthers

ISBN: 978 1 84953 079 8 Paperback 96 pages £5.99 October 2010

Angels have appeared to human beings for thousands of years, yet there is greater interest in them now than ever before. With many angel texts proving to be heavy, inaccessible tomes, this beautifully illustrated book is the perfect introduction to working with angels, providing clear information on everything from their descriptions in ancient religious texts to how to invite them into our lives.

Notes to Editors: *Unicorns* and *Angels* are published by Summersdale and available through all good bookshops and internet booksellers. **To request review copies or to be put in touch with the author** please contact Suzanne Cullum on: 01243 771107 or email suzanne@summersdale.com
