About the authors

According to an inside source, **Sarah Herman and Lucy York** are the world's greatest UNOFFICIAL Facebook social-survival experts ever. As dedicated hardcore Facebookers their social lives run as smoothly as deep-conditioned hair in a shampoo advert. **Sarah Herman** is a lover of cheesecake, Bradley Whitford and Post-it notes. She's pretty sure good things come in small packages and doodles far more than a person should. **Lucy York** is small, Welsh and proud to be both. She loves a good old knees-up with her pals, but ain't too keen on mayo or babies. At night, she dreams of moustaches. **Sarah and Lucy are both available for interview.**
