Sex, sports, cars, music, film, beer, politics, TV, superheroes, tractors These engrossing and addictive tables are packed with the fascinating facts that all astute men (and aspiring pub quiz champs) are absolutely required to have at their fingertips.*

The indispensable companion for the modern man, *Vital Statistics* supplies a bloke with everything he could possibly want to know – and lots more he doesn't yet know he wants to know!

Vital Statistics answers today's burning questions:

- ? What is the greatest number of women seduced in a Bond movie?
- ? When did Old Trafford last host an FA Cup Final?
- ? Which brand of condoms was advertised with the slogan "Virtual Skinwear"?
- ? Which chilli pepper has the highest heat ranking on the Scoville Scale?
- ? What's the best-selling computer game of all time?
- ? How many times have British drivers come second in the F1 Championship?
- ? Which sport causes most deaths: professional boxing, horse racing or sky diving?

Test his knowledge on totally tantalising topics such as:

- Pubs on TV ● The worst insect stings ● East Coast Hip Hop Artists ● Porn industry terminology
- League and FA Cup Winners ● British toy crazes ● Christmas UK number ones
- The Kennedy "Curse" ● Tyre wall coding ● Britain's favourite sitcoms ● Best selling albums

and much, much more!

Astounding facts and crucial figures to amaze, impress, entertain and (probably) annoy – **Vital Statistics** is the perfect gift for any man who does not, yet, know everything!
