EXPLICIT CONTENT

**THESE ARE CATS WITH ATTITUDE –
NOT FOR KIDDIES OR THE EASILY
OFFENDED**

They may look cute and they may look fluffy, but be warned! When cats turn bad it's not a pretty-kitty scenario.

Foul-mouthed pussies who love to shock, insult and generally wave two claws at polite society, here is a book that exposes the agenda of corrupted cats.

Combining cool-for-cats photography with captions as sharp as the manicured talon of a savage Siamese, *When Cats Turn Bad* is the purr-fect stocking filler for feline fans (who aren't easily offended) and for those who appreciate the ruder side of life.

Media opportunities:

- Christmas gift/stocking filler round ups
- Competition prizes available

About the author: Kitty Litter lives in London with four rescue cats and an extremely tolerant husband. Even when her kitties destroyed her wedding bouquet she forgave them, because they looked so sweet covered in rose petals...

When Cats Turn Bad is published by Summersdale and available through all good bookshops and internet booksellers or by telephoning Summersdale.
